## 1. INTRODUCTION

This annual report to Parliament is prepared and tabled in accordance with section 94 of the [Access to Information Act \(ATIA\)](#). The report provides a summary of the activities related to the administration of the *ATIA* within Atomic Energy of Canada Limited (**AECL**) during the fiscal year ending March 31, 2024.

The purpose of the *ATIA* is to enhance the accountability and transparency of federal government institutions in order to promote an open and democratic society and to enable public debate on the conduct of those institutions.

As a federal Crown corporation, AECL became subject to the *ATIA* on September 1<sup>st</sup> 2007, providing Canadian citizens, permanent residents, individuals present in Canada, and corporations located in Canada the right to have access to information that relates to its general administration or its operation of any nuclear facility within the meaning of section 2 of the [Nuclear Safety and Control Act](#).

### Mandate

AECL's mandate is to enable nuclear science and technology, derive optimal value for Canada from AECL's CANDU intellectual property, and to protect the environment by fulfilling the government of Canada's radioactive waste and decommissioning responsibilities.

AECL receives federal funding to deliver on its mandate and reports to Parliament through the Minister of Energy and Natural Resources. It also leverages the unique capabilities at its sites to support industry and other third parties on commercial terms.

AECL delivers its mandate through long-term contracts with Canadian Nuclear Laboratories for the management and operation of its sites. More information on AECL's activities and governance structure are available on AECL's website at [www.aecl.ca](http://www.aecl.ca).

Note: AECL does not have any non-operational ("paper") subsidiaries during this reporting period.

## 2. ORGANIZATIONAL STRUCTURE

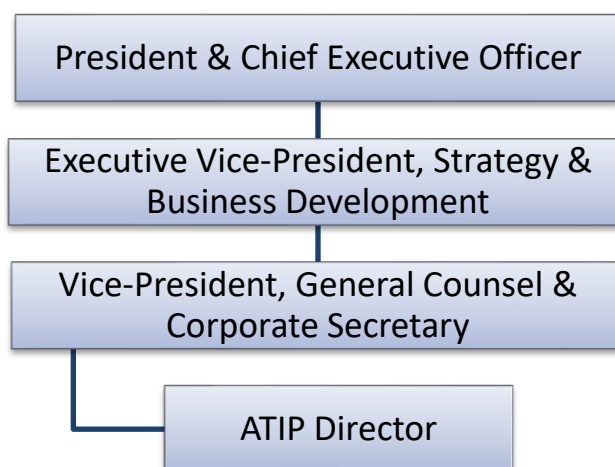

AECL's Access to Information and Privacy (**ATIP**) Office, located in Ottawa, Ontario, is the focal point for the application of the ATIP legislations within AECL. The mandate of the ATIP Office is to implement and administer AECL's obligations under the *ATIA* and the [Privacy Act](#). The Office deals directly with the public and employees in relation to access to information and privacy requests and serves as the center of ATIP expertise in enabling AECL to meet its statutory obligations under the Acts.

The ATIP Office consists of one Director who reports directly to the General Counsel & Corporate Secretary of AECL. The equivalent of 0.8 full time employee (FTE) was applied to *ATIA* matters and 0.2 FTE was applied to *Privacy Act* matters.

As the head of the institution, the President and CEO designated the Director of Communications & Government Reporting as the official responsible for supporting its accountability for requirements under Part 2 of the Act and TBS policy instruments.

AECL was not party to any service agreements under section 96 of the *ATIA* during this reporting period.

### Organizational Structure of the ATIP Office

### 3. DELEGATION ORDER

Under the *ATIA*, the President is the designated head of the institution for the purpose of administering the legislation. Section 95(1) of the *ATIA* authorizes the head of the institution to designate, by order, one or more officers or employees of AECL to exercise or perform any powers, duties, or functions of the head of AECL that are specified in the order. As ATIP Coordinator, the ATIP Director holds full delegated authority under the *ATIA*. The signed copy of the Delegation Order is included in appendix A.

### 4. PERFORMANCE 2023-24

The following is an overview of key data on AECL's performance for this fiscal year, as reflected in the Statistical Report on the *ATIA* and the Supplemental ATIP Statistical Report for 2023-2024 included in Appendix B.

### Requests Completed During the Reporting Period

AECL completed 32 requests in 2023-24, 22 (68.75%) were closed within the initial deadline of 30 days. Furthermore, 100% were closed within established timelines (that is, closed within the initial statutory deadline of 30 days or within an extension period provided for in the *Act*).

Requested information was disclosed in full without exemptions or exclusions for eight requests within 60 days. Additionally, information was disclosed in part for 16 requests. Seven of these requests were closed within 30 days, seven requests were closed between 31 to 60 days, and two were closed in more than 121 days.

AECL was not able to process four requests as the requested information was not under the organization's custody and control. Four of the requests were abandoned within 30 days. The number of active requests as of the last day of the reporting period is two. These requests were received in the last quarter of 2023-24, therefore carried over within the legislated timeline.

### Disposition and completion time

### New Requests Received During the Reporting Period

AECL received 31 new requests under the *ATIA*, 48 informal requests, and 21 requests for consultations from other Government of Canada institutions and organizations. A total of 14,328 pages was reviewed in 2023-24. 55% of the new requests received came from the public. Details concerning the source of the requests are as follows:

Source	Percentage	Number of new requests
Private sector	29%	9
Organization	10%	3
Public	55%	17
Media	3%	1
Decline to Identify	3%	1

### Multi-Year Trends of New Requests Received

### Extension of Time Limits

In 2023-24, AECL found it necessary to extend the timeframe of 10 requests, where one request for a large number of records was extended under paragraph 9(1)(a), four were extended under paragraph 9(1)(b) in order to consult other Government institutions and five others under paragraph 9(1)(c) in order to consult a third-party.

### Costs

During the reporting period, AECL has invested in purchasing a new software for technological improvements to modernize the delivery of ATIP services, facilitate information management, and requests processing. The cost of this purchase is reported in section 11(1) of the annual report resulting in higher costs than previous reporting periods.

### Application Fees

Section 11(2) of the *ATIA* allows for the waiving of fees when deemed to be in the public's interest. During the COVID-19 period, AECL has been waiving the \$5.00 application fee. Application fees totalling \$155.00 were waived for the 31 requests received during the reporting period.

### Consultations Completed

AECL received 21 new requests for consultations from other Government institutions and organizations and carried over one from the previous reporting period. All 22 consultations were closed within 30 days during the reporting period.

Of the 22 consultations completed, information was recommended to be disclosed in full for nine consultations, disclosed in-part for 11 consultations and excluded entirely for 2 consultations.

### Active Complaints

The number of active complaints as of the last day of the reporting period is zero.

## 5. TRAINING AND AWARENESS

Informal briefings and one-on-one training were given regularly by the ATIP Office during the process of retrieval and review of documents in response to *ATIA* requests. One formal *ATIA* awareness session was given virtually to 31 employees during the reporting period.

## 6. POLICIES, GUIDELINES, AND PROCEDURES

AECL did not implement any policies, guidelines, procedures, or initiatives during this reporting period.

## 7. PROACTIVE PUBLICATION UNDER PART 2 OF THE ATIA

As a Crown corporation, AECL is subject to proactive publication under *sections 82, 83 and 84* of Part 2 of the *ATIA*. AECL is required to publish the following:

Section	Legislative requirement	Deadline (in calendar days)
<b>82</b>	Travel expenses of senior officers or employees	30 days after the end of the month of reimbursement
<b>83</b>	Hospitality expenses of senior officers or employees	30 days after the end of the month of reimbursement
<b>84</b>	Reports tabled in Parliament	30 days after tabling

AECL published 100% of proactive publication requirements, due during the reporting period, within the legislated timelines. You may find AECL's Proactive Disclosures on [open.canada.ca](https://open.canada.ca).

AECL, as a small organization with limited reporting requirements, uses a simple process to manage compliance. The finance team receives, and reviews expense claims, compiles a report, and those reports are reviewed by the AECL Executive Team and Board of Directors before publishing. For the publication of reports tabled in Parliament, AECL works closely with the Natural Resources Canada Parliamentary Affairs Unit and has established a Senior Communications Analyst to coordinate all reporting requirements.

**8. INITIATIVES AND PROJECTS TO IMPROVE ACCESS TO INFORMATION**

AECL has undertaken initiatives for technological improvements to modernize the delivery of ATIP services, facilitate information management and requests processing during the reporting period.

**9. SUMMARY OF KEY ISSUES AND ACTIONS TAKEN ON COMPLAINTS**

AECL received two notices of intention to investigate from the Information Commissioner this fiscal year for complaints alleging that information was improperly withheld. Reports of findings received from the Information Commissioner for these complaints resulted as not well founded and closed this fiscal year.

AECL received three other reports of findings from the Information Commissioner for three outstanding complaints, from previous fiscal years, with the results of not well founded.

Section 32 and subsection 30(5) of the <i>ATIA</i>	AECL received two notices of intention to investigate from the Information Commissioner this fiscal year.
Section 35 of the <i>ATIA</i>	AECL did not provide any representations to the Information Commissioner this fiscal year.
Section 37(2) of the <i>ATIA</i>	Five reports of findings from the Information Commissioner were received this fiscal year.

**10. MONITORING COMPLIANCE**

***ATIA* Requests and Consultations**

- AECL uses a case management application (Privasoft) as a tool to monitor daily the time taken to process every access to information requests.
- The ATIP Office limits inter-institutional consultation to only when required for the proper exercise of discretion or when there is an intention to disclose by:

- Conducting an initial review of all information originating or of interest to other government institutions or third parties and assessing the sensitivity of the information; and by
- Conducting a search to identify if the information is publicly available or previously disclosed.
- As a small organization, with a low volume of ATIA requests, no other monitoring was necessary or conducted during the reporting period.

### **Contracts, Agreements and Arrangements**

- AECL consults the ATIP Office to support the right of public access to information are reflected in contracts, information sharing agreements and information sharing arrangements.

### **Proactive Disclosures**

- To monitor the accuracy and completeness of proactively published information, AECL ensures that reports are reviewed by senior staff, the General Counsel, the Executive Management team and the AECL Board of Directors.
- AECL established effective procedures to meet the proactive publication requirements and monitor compliance. For expense reporting, the Finance and Communications teams work in close collaboration, and for reports tabled in Parliament AECL now has a dedicated Senior Communications Analyst who plans and coordinates all reporting requirements and liaises with the Natural Resources Canada Parliamentary Affairs Unit.
